## BONNIE (Vendor) - Totally professional and personable

*Sue had already sold one house for me. The second house was my family home. Selling your home can be stressful but I had confidence in Sue's knowledge, judgement and her care and attention in the selling process. Sue worked with me, gave me feedback and support, and sold my home for a very good price in five weeks which is very good going in this market. I totally recommend Sue if you are considering selling your home. Arizto also offers the vendor an excellent deal in terms of costs. So glad I found Arizto and that brought me Sue Stewart.*
