Code compliance certificate ready for uplifting

We are pleased to advise that your code compliance certificate is ready for the final stage of processing.

However before we consider your application further it will be necessary for you to remit fees of **\$1,065.70**, as detailed in the attached invoice.

This figure is made up of \$1,290.70 being the fees chargeable by our Central Office, Durability Team. This includes the final inspections and site meeting carried out, along with their travel and processing time. Refer attached charge out sheet. Please note the amount of \$225.00, which was paid last year at our Waiuku office, has been deducted from the total invoice.

Once payment has been received, the code compliance certificate will be processed and issued.

If you have any further queries regarding this matter, please contact the Pukekohe Service Centre, quoting the above building consent number.

Yours faithfully
