

Wanganui City Council,
Storm water separation.
101 Guyton St.,
PO Box 637
Wanganui.

Dear Sirs,

Storm water separation.

I wish to advise that 36 Broadhead Ave has complied with the above requirement and that storm water no longer enters the house drainage system.
This has been achieved with a combination of water storage and soak pit, as per the diagram. The section is comprised of iron sand and has excellent drainage.
I am led to believe that there is an incentive repayment of \$150 where a 3000 litre tank has been installed for this purpose and would appreciate hearing from you with regard to this matter.

M & J Capenerhurst.
36 Broadhead Ave.
