Dear Sir/Madam,

POOL INSPECTION – COMPLIANT APPLICATION 4069

This letter is to advise you the pool at your property has been removed from the council pool register.

This is due to notification received by Council that the spa pool has been removed.

Should you decide in the future to get another spa pool, council must be made aware so that an inspection can be undertaken to ensure there are safety barriers in place that comply with the legislative requirements of the Building Act 2004.

If you have any questions or concerns please contact Rotorua Lakes Council on 07 348 4199 or email to info@rotorualc.nz.

Regards,

Bruce Ross
