Dear Sir

**Parking of Heavy Vehicles in Residential Streets**

As from 1 August 1997 Tauranga City Council introduced a Bylaw which effectively prohibits the parking of heavy vehicles in residential streets.

We have had complaints that a heavy vehicle registered number CJF161 which is shown to be registered to you is regularly parked in Anchorage Grove Tauranga on the road/verge.

I have enclosed a pamphlet outlining the Bylaw.

Your future compliance of the Bylaw by having this vehicle parked in a non-residential area would be appreciated.

Yours faithfully
