LOCATION OF CONNECTIONS
(If new service connections are required.)

<i>Office use</i>	
No.	
Date.	
Job Cost.	
Map Info.	

- ☆ The preferred location of the connections **MUST** be **INDICATED** in the space below or on a separate plan showing site boundaries, street frontages, building outline and distances if necessary. "IF NO LOCATION IS SPECIFIED" Council may proceed at its discretion.
- Every effort will be made to place the connections where requested but circumstances may not allow this. Where location and level are critical to the development of a site it may be necessary for the Applicant/Owner/Developer to confirm levels and grade and check for conflict with other services.
- The Asset Manager will determine the actual location.
