Kia ora

We are requesting an extension to this, as we are still awaiting resource consent from the planning team. The three neighbour consent PBAs were sent in early September, but due to a break down in communication between Planning (new staff email due to change in last name) and Engineer, the full re-lodgement of all the documentation has only taken place last week. Requesting that this fee be waived please as these circumstances are outside our control.

Regards,
Nick Tompkins
