We are pleased that you have chosen to work with us for your Warmer Kiwi Home programme with EECA.

Thank you again & we look forward to working with you.

ASSOCIATED WITH PIL GROUP LTD
CONTRACT HOLDER FOR THE
WARMER KIWI HOMES PROGRAMME

Warmer Kiwi Homes WKH is a four-year Government programme offering grants covering 80% of the cost of an efficient wood burner, pellet burner or heat pump, as well as ceiling and underfloor insulation to a wide variety of homeowners that meet programmes criteria. Energy Workshop is in association with PIL Group Ltd, contract holder for Warmer Kiwi Homes. Making it one of very few organisations that can access and facilitate the Warmer Kiwi Home Subsidy.	Warmer Kiwi Homes Eligibility Live in your own home, that must have been built before January 2008 AND Have one of the following - Community Services Card - SuperGold Combo Card - Live in a Deprivation index area 8, 9 or 10	Property Occupancy : {Quote:Custom:Property Occupancy} Year Property Built : \${Job:Site:\${Job:Site:Custom:Property Age (Decade)}} Community Services Card : \${Job:Site:Custom:Community Services Card} Deprivation Index : \${Job:Site:Custom:Deprivation Index}
