

APPENDIX 8

Notice of Wastewater Separation

I Ivan Douglas Lacy the property owner or agent

give notice that the stormwater and sewer on the above property has been separated. I attach my drainage plans detailing the location of all soak pits or other installations for your records (see example of typical site plan on page 30).

I accept any risks associated with the installation of any soak pits on the above property, and I accept that at times they may overflow during heavy rainfall and will periodically require maintenance.

If the soak pits do not prove to be sufficient to perform satisfactorily, or if my drainage system causes any nuisance outside my property, then I acknowledge that I will need to rectify the problem to the Council's satisfaction.
