ROTORUA DISTRICT COUNCIL

NOTICE TO CARRY OUT DRAINAGE WORK

To: T. & M.A. Foster

24 Lincoln Street, Morrinsville

That the Rotorua District Council, hereinafter described as the Council, is satisfied that the land and buildings set out in the First Schedule hereto are not drained to the satisfaction of the Council and the Council requires the foul water, being the discharge from sanitary appliances or sanitary fixtures or trade waste (as defined in the Drainage and Plumbing Regulations 1978), as the case may be, to be discharged to a sewer or drain vested in or under the control of or maintained by the Council, IN PURSUANCE of the provisions of Section 459 of the Local Government Act 1974 and of all other powers enabling the Council hereby requires you as the owner of the land or buildings, heretofore described to execute, provide and do in connection with the drainage and sanitation of the said premises, at your expense, and within sixty (60) days from the service of this notice, the following works, materials and things, that is to say:

- (a) To provide, construct, and lay a private drain from the aforementioned land or buildings set out in the First Schedule hereto, and to connect the private drain with the public drain set out in the Second Schedule hereto.
- (b) To cleanse and repair, relay or alter the course, direction and outfall of the existing private drain set out in the Third Schedule hereto, or belonging to the premises (so as to facilitate and enable the connection thereof to the public drain set out in the Second Schedule).
- (c) To connect the existing private drain set out in the Fourth Schedule hereto with the public drain set out in the Second Schedule.
- (d) To provide and affix in and to such existing private drain, and in and to any such new private drain, all such traps, methods of ventilation, and other fittings as may be necessary to meet the requirements of the Drainage and Plumbing Regulations 1978, or as the Council shall deem necessary.
- (e) To connect all water closets, urinals, baths, sinks, grease traps, or other sanitary appliances in or about the said premises with such private drain.
- (f) To execute, provide, and do generally any works, materials and things as are necessary or expedient for the efficient sanitary drainage of the premises and every part thereof in accordance with the provisions of the Drainage and Plumbing Regulations 1978 and generally to take such steps as may be necessary to connect the foul water drainage system to the premises, land and buildings with the Rotorua District Council sewer drains.
