

Xtreme Rad - Leg

\$2,799.00

The Xtreme Rad – Leg model features a clean burning firebox design that delivers a peak heat output of 18kW to warm your home. The generous door glass provides the perfect flame view to enjoy on those cold winter nights. The Xtreme Rad easily handles bulky pieces of firewood, and boasts a large cooktop for the convenience of cooking the evening meal. Impressive radiant performance and features combine to fight off the extremes of winter.
