

Record of Exempt Building Work Form

2/9 Wood Street Papakura 2110
NA54C/1332 - Lot 52 DP 16010, Flat 2 DP 100405

Project details

Describe the building work and relevant records

The work involved the creation of a third bedroom within the existing dwelling. This was achieved through the addition of a new non-structural partition wall within the former kitchen and dining area. As part of the reconfiguration, the kitchen layout was modified, including the relocation of the sink to an adjacent wall.

No structural alterations were undertaken as part of these works.

Sketch plans showing the layout are attached for reference.
