Dear Applicants

Request for information

BC application: 24009002-P

Site Address: 7 Whitehaven Street, Weston

Project Description: Construction of a 4 bedroom, 2 bathroom dwelling with media room and attached garage.

All reviews have now started for the above application. However, we require further information to enable the Council to process your application.

Please respond fully by Friday 26 July 2024. If you do not respond within this timeframe your application may be refused. An early response and referencing the Building Code item will assist in the completion of consent processing with minimal delays.

The processing of your application has been suspended awaiting further information being supplied by you.

The following information is required:

PLANNING

1. Can you please confirm the height of the retaining walls noted on the site plan?

Please ensure any plan changes are identified with a "revision cloud" and the date, version/page number amended. Once this information is supplied and approved to Council's satisfaction, your application will continue to be processed.

Oliver Platts
Resource Management Planner
