Dear Applicants,

Building Consent Application **24009002**
Site Address: **7 Whitehaven Street, Weston**
Project Description: **Construction of a 4 bedroom, 2 bathroom dwelling with media room and attached garage.**

Your building consent application has now been approved.

The approved plans and specifications will be sent to the Objective Build portal on receipt of your payment. Please make sure that these are printed and available on site at all times.

Building work cannot commence until building consent is issued.

If additional inspections are required on the basis that you extend the stages of your build, then additional inspection charges may apply. An invoice will be generated at application for Code Compliance and all charges must be paid prior to the issue of Code Compliance.

Regards
