| VET 1 | 27 Jun 2024 KJ Criddle                                                                                                                                                                                                               | 1 Jul 2024 KJ Criddle |
|       | Details: Please provide a more realistic value of work that should include construction, site work, drainage work, project management, materials and labour all inclusive of GST. Value of work must be at market value              |                       |
|       | Response: Value of work revised to \$450,000                                                                                                                                                                                         |                       |
| VET 2 | 1 Jul 2024 KJ Criddle                                                                                                                                                                                                                | 2 Jul 2024 KJ Criddle |
|       | Details: Please provide a more realistic value of work that should include construction, site work, drainage work, project management, materials and labour all inclusive of GST. Value of work must be at market value              |                       |
|       | Round 2. Your price per square meter rate is well below what we would expect to see for this type of build for your value of work. Can you please provide a more realistic value of work which includes all of the above. Thank you. |                       |
|       | Response: Value of house \$500,000                                                                                                                                                                                                   |                       |
