

10 December 2019

Adrian Hart
196 King Street
Bay Of Plenty
Whakatane 3120

Dear Adrian Hart,

Reference Number: 190631

Project Location: 196 KING STREET WHAKATANE

Project Description: Install Insulmax wall insulation to exterior walls as per CodeMark Certificate CM70028

Your application for an exemption to the requirement to obtain building consent for the work described in the documents submitted has been granted in terms of Schedule 1 of the Building Act 2004.

This exemption has been granted based on the following considerations:

- 1) That the work is constructed in accordance with the drawings submitted
- 2) While the work has been exempted from the requirement to obtain building consent, all building work is still required to comply with the requirements of the New Zealand Building Code. It is important to note that it is the responsibility of the organiser(s) to ensure that the requirements of the building code are fully met in all respects. For this reason it is recommended that only appropriately skilled and/or qualified personnel are engaged to carry out the building work.

Yours sincerely,

Martin Huang
Building Control Officer
On behalf of: Whakatane District Council
