We have assessed your application and require the following additional information from you so that we can continue to process your application:

- Please provide a good ground statement

Please include references to clearly indicate how and where the information has been provided, and where it can be found within the documents.

Your application has been suspended until the above information has been provided. Please submit this information within 60 days, or your application will be rejected. You would then have to submit a new application to continue with this project.

While we appreciate that requests for additional information can be frustrating, we are required by the Building Act 2004 to ensure we are *satisfied on reasonable grounds* that the provisions of the act will be met.

Please call us on 07 349 5646 if you have any questions, or email us at buildingadmin@rotorualc.nz.

Ngā mihi,

Sean Ulrich
