Dear Applicant,

Building Consent Application 206452 48 Fernbrook Road.

Your building consent application for a new 3 bedroom dwelling with double garage has been lodged and distributed to the appropriate Council departments.

If further information is required in order to assess the application you will be contacted, generally in writing to request this. The processing of your application will be suspended awaiting any such information being supplied by you.

If approval is not able to be given to the application you would be notified in writing.

If all the information is supplied to assess the application the approval for consent will be notified to you in a letter which outlines any proposed conditions of the consent. It will also include the Project Information Memorandum (P.I.M) and an invoice requesting payment of fees and levies that are to be paid prior to issue of the consent.

Your application will be processed within 20 working days being 7th September 2007. Please note this excludes any time during which the application may be suspended.

Building work cannot commence until the building consent is issued and the consent documents (plans, specifications and building consent) are held on-site.

If you require any further information please contact building administration via customer services.

Yours faithfully

Building Administration.
