Important information

The Property File contains information and records held by Manawatu District Council relating to the property. Any overview or comments provided by Team Toner are intended as a general guide only and are not a complete, technical or legal interpretation of the information contained in the Property File.

We recommend that prospective purchasers review the full Property File themselves. Where any matter is important to a purchaser, they should make their own enquiries and seek independent advice from Manawatu District Council, their solicitor, builder, building inspector or other suitably qualified professional as appropriate.
