Modern Living with future in mind

Take the stress out of building and step straight into an already completed home. Welcome to this striking, low-maintenance property featuring Brick and Euroclad composite cladding, double glazing, and a future-ready design. Just five years old, it offers the perfect balance of comfort, privacy, and modern living.

From the moment you open the front door, your eyes are drawn down the wide hallway through to the sun-drenched living area and out to the backyard. This home boasts a generous open-plan living and dining space, ideal for everyday living and entertaining. At the heart of the home is a sleek white kitchen, with gloss handle-free J-pull cabinetry and an expansive breakfast bar.

Abundant natural light pours in through extra-tall windows, while an impressive six-metre-wide sliding stacker door opens out to the large, flat 756m² section.
