Mr Brian Hughes,
Director Enviromental Services,
Rotorua District Council,
Private Bag,
ROTORUA

Dear Mr Hughes,

Could you please provide me with written clarification of the commercial use of the following properties:

- 65cc/749 1. Currently Residential Property located on the Northern corner of Hinemoa and Ranolf Streets. (This property currently has an old house on it). 121 Hinemoa St Sec 33 Bk LXIII Rotorua Town
- 65cc/103 2. The Ex Holmes Printing building, Pukaki Street 42-44 Pukaki Sec 2 Bk XV Rotorua Town

The business involved would be my Tourist based local community TV studio (GTV) and associated technical video production facilities, along with general administration and service business offices. The intended building would probably be 2 stories high.

I look forward to your reply.

Yours Sincerely

P. Archibald
