Dear Sir/Madam,

UPDATING OF YOUR PROPERTY FILE: 100 PUKUATUA STREET

Council has recently updated all the property files held by the Rotorua District Council. This updating process has included a review of known, or likely to exist, caution. The term caution refers to circumstances relating to the land that the Council is aware of. These circumstances may affect the present condition of the land. For example a caution may include unconsolidated or sawdust fill on a property, geothermal activity, possibility of flooding, unstable ground, or a similar situation that is known to the Council.

Your Property File

Your property has been identified as having:

Other Matters

This relates to items such as water allocations etc that are registered against the property identified, usually as a result of more recent subdivision.

Council has therefore updated your property file to include the above notice/s.

If you wish to review your property file please bring this letter with you to the Records Section, which is where your property file is kept.

Further Queries

If you have reviewed your property file and still have queries regarding the caution notification then please ring, or make an appointment to see me. I can be contacted at phone (07) 348 4199 Extn 8073.

Yours faithfully
