What are the neighbours like and are they owner occupiers or renting?
Vendors say: all neighbours are owner occupiers and are very quiet.

More information from the Body Corporate - Bodycorp fee \$299 - \$308 from 20th June 2026. Caversham Park commenced construction in 2008 by GJ Gardner and was finally completed in 2016. It comprises twenty [20] duplex residential units and one [1] Community Centre. There are fifteen duplex units each with five [5] bedrooms configuration and five duplex units each with [6] bedrooms configuration. A total of forty [40] residential units comprising twenty five [25] three bedroom units and fifteen two bedroom units. Thirty units and the Community Centre are located on the outside of an internal ringroad, with the remaining ten units located on the inner side of the ring road. The individual boundary for each unit is one [1] metre in from the ring road boundary. This makes for an attractive private gated village community. There is a controlled access gate providing secure access during the time period of 10.30pm and 6.00am every day. - Caversham Park also has a well-appointed Community Centre with spa pool, library, bowling green and pétanque court for use by residents at meetings and/or social gatherings. - The body corporate is responsible for the ring road, parking areas and driveways outside the unit boundaries. - Gardens & lawns - The common land is maintained by contractors. Additionally, the body corporate contractor conducts limited work inside the unit boundaries. DISCLOSURES - please ask the salesperson and they will be emailed to you.	Body Corporate Responsibilities: The body corporate will manage and pay for the maintenance of the following: - Dwelling Building wash every six years. - Dwelling Roof wash every four years. - Full repainting of the cladding to all buildings on rotational 12 year cycle. - Biennial gutter cleaning and roof inspection of all buildings. - Exterior window cleaning of units every two months. - Internal garden maintenance one hour per month, per unit, and periodic fertilising and spraying as required. - Infrastructure supply, up to the boundary of each unit, including electricity, gas, telephone, broadband, water, and waste water. - Maintenance and cleaning of storm water sumps. - Maintenance of the ring road and adjacent parking areas. - Maintenance of the main gate. - All external boundary fences surrounding the Caversham Park development. - All gardens on common property. - The Community Centre [internal & external], bowling green, pétanque court, and landscape elements on common land. - Maintenance and cleaning of storm water sumps.
