Re: Pool safety legislation changes – Pool inspection

Application number: POOL-003844

The Fencing of Swimming Pools Act 1987 was repealed in January 2017, and the pool safety provisions are now contained with the Building Act 2004. One key change is the requirement for all New Zealand councils to start mandatory three-yearly inspections of residential pools to check they comply with legal safety requirements.

According to Rotorua Lakes Council's Pool Register there is pool at your address, which is near due for its 3-yearly inspection. It is for this reason that I would like to arrange an inspection on **Tuesday, 4 February 2025 at 1:30 pm**. If this time and/or date is convenient/not convenient, please contact me on 07 351 8163, or mobile 027 218 5025 or via email, to arrange a better time and/or date.

The inspection will be invoiced to you at the current inspection fee rate, once the inspection has been completed. Recall inspections if required to confirm compliance may incur additional fees.

If you no longer have a pool please complete all information on page 2 of this letter and return using the reply paid envelope and we will update your records. For more information about the new pool safety legislation and pool inspections go to rotorualakescouncil.nz/poolsafety.

We look forward to hearing from you in the near future. If no response is received from you within 10 days, Council will schedule your pool inspection within the inspection programme.

Please call us on 07 351 8163 if you have any questions, or email us at pools@rotorualc.nz.

Ngā mihi
