Dear Sir/Madam,

POOL SAFETY LEGISLATION CHANGES - POOL INSPECTION – APPLICATION 3844

The Fencing of Swimming Pools Act 1987 was repealed in January 2017, and the pool safety provisions are now contained with the Building Act 2004.

One key change is the requirement for all New Zealand councils to start mandatory three-yearly inspections of residential pools to check they comply with legal safety requirements.

According to Rotorua Lakes Council's Pool Register there is pool at your address.

Please make contact with me to schedule an appointment.

The inspection will incur a fee of \$115 (including GST), which will be invoiced to you once the inspection has been completed.

Recall inspections that will be required to confirm compliance may incur additional fees.

If you no longer have a pool please complete over the page and return using the reply paid envelope and we will update your records.

For more information about the new pool safety legislation and pool inspections go to rotorualakescouncil.nz/poolsafety or contact council's Customer Centre on 07 348 4199 or DDI 07 3518283.

We look forward to hearing from you within 10 days of the date of this letter

Regards
