I consent to Council staff and their approved contractors entering my property for the purpose of investigating and making repairs to my sewer drains **at no cost to myself**, subject to the following conditions:

- 24 hours' notice to be given
- Minor repairs (nominally less than 2 m² of ground disturbance) may be made at time of initial visit and investigation
- If repairs are more than minor (for example several metres of sewer found to be damaged) then my specific approval is to be obtained before commencing any repair work
- The extent of and whether any repair work is undertaken is entirely at discretion of Council
- Lawns, gardens and paths will be reinstated to a high standard (an equivalent condition) to that prior to the work
- Council and their approved contractors will carry out repair work to good trade practice however I agree that the ongoing responsibility for maintenance of private sewers remains with me, the property owner

I have informed the occupier of this address that I have given my consent as outlined in the letter (please tick or write n/a)
