RE: Sewer from Arki Place

Can you get someone to check the
sewer line N7/4-73, N8/3-47, N8/3-44 etc
please.

Is it operational? It appears to be
full of water?

Regards
A Morton

CAUTION

This plan indicates RDC assets of water, sewerage and/or stormwater services.

Issued on 19/10/90 by Sewal

All services are indicated in good faith, however additional services may have been installed before this date but may NOT appear on this plan. Please keep in mind that services may have been installed after this date. Positional measurements are subject to reasonable tolerances and depth of cover may have changed after installation. Verify locations prior to excavating with machinery.

RDC is authorised to control works within the road reserve under the Local Government Act 1974

WARNING: Check for other underground services.

Andy

Further to your fax 10.9.98.

The sewer main you refer to
has not been taken over by Council
because of the infiltration. The
line is plugged at the boundary.

Regards

Paula
