

150 Georgina Street, Marshland, Christchurch

Category: N/A - Rural & Unmapped

1

Properties in **rural areas** or beyond the extent of land damage mapping, and properties in parts of the Port Hills and Banks Peninsula have not been given a Technical Category.

Normal consenting procedures will apply in these areas.

In 2019 Christchurch City Council completed a liquefaction hazard study , encompassing the Christchurch urban area, which uses the extensive information about ground conditions gathered since the 2010/11 Canterbury earthquakes and follows the most recent national liquefaction guidance. This includes an updated liquefaction vulnerability map, and an online tool which helps to visualise an area's vulnerability to liquefaction under different conditions. For details visit the [CCC liquefaction information website](#).

The above zoning information is correct to the best of our knowledge at the time of publishing.
