TAURANGA

Dear Sir/Madam

Consent Number: 2016/2002
Project: New Dwelling With Attached Garage
Project Address: 10 Arlington Court

Thank you for the application for building consent. We are pleased to advise that this consent has been processed and is now ready for collection.

Your next steps are:

1. Please arrange for the payment and collection of the consent documents (If this has been pre-paid, then these will be sent to you). Please bring your invoice in with you when you pay. Your approved documentation must be kept on site for the building inspector to view.
2. Read carefully the Project Information Memorandum comments on page 2 of this letter. This information may be important to you during the construction process.
3. This Building Consent is issued subject to the conditions outlined on page 4. In particular please note the requirements for inspections. The phone number to arrange inspections is 838 6677 available from 8:00 am to 11:00 pm.
4. Your final step after the completion of the project, is to apply for the issue of a Code Compliance Certificate. Please fill out the "Advise of Completion of Building Work" form attached (page 5) and we will contact you to arrange a suitable time. We have found that many people do not complete this last task with the result that legal difficulties can arise at the time of sale or with insurance companies.

It is also a legal requirement of the Building Act, therefore the keeping and processing of the Advise of Completion is very important to both yourself and Council.

Good luck with your building project and we look forward to our staff assisting you with this and any future building work.

Yours faithfully

Mr D Darling
Hamilton City Council

This is:

Confirmation that the proposed building work may be undertaken, subject to the provisions of the Building Act 1991 and any requirements of the building consent.

☐ Not yet applied for.

☐ No.: 2016/2002 attached.

☐ Not yet issued.

Or

☐ Notification that other authorisations must be obtained before a building consent will be issued.

Or

☐ Notification that the proposed building work may not be undertaken because a necessary authorisation has been refused.

This project information memorandum includes (cross each applicable box, attach relevant documents, and send a copy to any relevant network utility operators and organisations having the power to classify land and buildings):

☐ Information identifying relevant special features of the land concerned.

☐ Information about the land or buildings concerned notified to the Council by any statutory organisation having the power to classify land or buildings.

☐ Details of relevant utility systems.

☐ Details of authorisations which have been granted.

☐ Details of authorisations which must be obtained before a building consent will be issued.

☐ Details of authorisations which have been refused.

Signed for and on behalf of the Hamilton City Council:

Name:/...../.....

Position: Authorised Officer
Building Control Unit

These are your Building Consent Conditions.

Please read these carefully

- * Building
- * Please quote building consent number when requesting an inspection.
- * A foundation/siting inspection required. Please provide 48 hours notice
- * A bond beam inspection required. Please provide 24 hours notice.
- * A pre-concrete floor inspection required. Please provide 24 hours notice.
- * A pre-lining inspection required. Please provide 24 hours notice.
- * Measurements from boundary to building, on site plan, are to be taken from the edge of the guttering system for internal gutters, and the fascia board for external guttering systems.
- * Completion inspection required prior to issue of interim or final code compliance certificate. Please make application on the appropriate form, that is included in Building Consent.
- * Ground levels to comply with NZS 3604 appendix E 0.1.
- * A cladding inspection is required. Please provide 24 hours notice and ensure that:
 - brickwork is laid to no more than half the height of the wall and/or;
 - monolithic plaster systems are not coated but the windows and the like flashed or;
 - solid plaster systems to have their reinforcing and flashings around openings, but no coating of plaster.
- * A post lining inspection is required. Please provide 24 hours notice and ensure that all sheet braces are nailed off and no skirtings or cornice are fitted.
- * Soil to be 100 kPa as per NZS3604. Otherwise engineers specific design is required.
- * Private Plumbing & Drainage
- * Inspection of foul water drains required. Please give 24 hours notice.
Please note: If new internal drainage runs to existing connection, depth of connection must be confirmed before drainage is laid. If new connection has be requested, no internal drainage shall be laid until new connection has been installed.
- * Inspection of stormwater drains required. Please provide 24 hours notice.
- * Preline inspection of Plumbing Installation required. Please provide 24 hours notice.
- * Prefloor inspection of Plumbing and Soil Waste system required. Please provide 24 hours notice.
- * All under floor drainage systems serving 2 or more sanitary fixtures must be:
 - Plugged and filled with water to test and;
 - Left completely exposed until approved by inspector
- * Roads & Traffic
- * Crossing to be constructed to a minimum residential crossing specification.

- * Please call for inspection of prepared base for crossing. Please give 24 hours notice.
- * Please note that the final inspection for a crossing will be carried out at Code Compliance Certificate time or when requested.

Important Notes:

1. If the work has not commenced within 6 months or if there is a lack of reasonable progress within 12 months then your building consent may lapse. Please contact the processing officer if you feel you may exceed these times and we can discuss extending the time frames.
2. The Project Information Memorandum lapses if a building Consent for the work concerned has not been issued within 24 months after the date of the issue of the Project Information Memorandum.
3. Please check with your local Network Utilities Operator as to where your services are located, i.e. Telecom, Wel Energy and Gas.
