Transfer of SolarZero Energy Services Agreement

The purchaser acknowledges that all hardware relating to the solar energy system on the property is not owned by the vendor and therefore ownership of such hardware will not pass to the purchaser on settlement.

The purchaser agrees to accept a transfer and novation of the attached Energy Services Agreement (“**Energy Services Agreement**”) dated **[Date Agreement signed]** between SolarZero Energy Services Limited (“**SolarZero**”) and the vendor with effect from the settlement date subject to SolarZero approving the purchaser.

As soon as practicable prior to settlement the purchaser shall execute and deliver to the vendor a Transfer and Novation of Energy Services Agreement in the form attached to the agreement which the vendor will deliver to SolarZero.

SolarZero and the vendor confirm that the vendor has fully prepaid all remaining monthly payments under Energy Services Agreement until expiry of the initial Term, which is **[date]**.
