Mr J.H. Beaven,

WANGANUI.

Dear Sir,

CARPORT

Following your application for a permit to erect a carport attached to your garage, you were advised that it would be necessary to obtain your rear neighbours permission as the area exceeds that normally permitted in the rear yard.

If this has not been obtained I enclose a form which, if he completes and it is returned to this office, will enable a permit to be granted.

Yours faithfully,

L.R. Cowan
