

Wee Rad - Woody

\$1,849.00

The Wee Rad – Woody features a clean burning firebox design that delivers a peak heat output of 15kW to warm your home while also providing convenient wood storage. The generous door glass offers the perfect flame view to enjoy on those cold winter nights. The flat radiant cooktop has ample space for both pots and kettles. This model can also be fitted with a wetback to assist with your water heating requirements.
