Dear Sir/Madam

Re Building Consent no. 970404
CARPORT & DWELLING ALTS

N

Issued 3/06/97

A check of our records has revealed that we have not to date issued a code compliance certificate for the above project.

You as the owner have an obligation under Section 43 of the Building Act 1991 to advise the territorial authority when the building work has been completed.

If all work in respect of the building consent has been completed, please complete the enclosed form and return it to the Council. A final inspection will then need to be arranged, so that a code compliance certificate can be issued.

Yours faithfully

Building Control Officer
