

Notice of Wastewater Separation

06 JUN 2002
ENTERED

I, Robert Forrest the property owner or agent
for (property address) 31 Halswell St Phone 343 8875

give notice that the stormwater and sewer on the above property has been separated. I attach my drainage plans detailing the location of all soak pits, or other installations for your records (see example of typical site plan, attached).

I accept any risks associated with the installation of any soak pits on the above property, and I accept that at times they may overflow during heavy rainfall and will periodically require maintenance.

If the soak pits do not prove to be sufficient to perform satisfactorily, or if my drainage system causes any nuisance outside my property, then I acknowledge that I will need to rectify the problem to the Council's satisfaction.

Check List.

Please ✓ boxes that relate to your property.

- ☒ Plans attached (as per example attached).
- ☐ The property has already an existing separated stormwater system and a site plan is provided of the known details of the system.
- ☒ All stormwater discharges within the property and attached is a site plan showing soak pit location and any downpipes discharging onto the ground.
- ☐ Stormwater discharges to a Council Stormwater drainage system.
