Document Upload Process

Only one document can be uploaded against each document category. You need to merge all documents into a single PDF per category (e.g. all architectural plans must be merged into a single document).

Several free online PDF merger tools are available on the [internet](#) one such tool is [Smallpdf](#). With Smallpdf, you can merge documents into a single file.

For a full list of the document categories and what should be included in each category click [here](#).

Click [here](#) for help and frequently asked questions.

A complete CCC application requires the information listed below:

- Memorandum of Licensed Building Practitioners Record of Work (for each type of building work completed)
- Certificates relating to energy work

Supporting information may also be required including (but is not limited to):

- Evidence that specified systems can perform to the performance standards set out in the building consent
- Other documents from personnel who carried out the work
- Refer to your building consent approval letter for a full list of documents required to support your CCC application.

If you have already uploaded documents to the building consent you do not need to upload it again.

Quick Tip:

If you/your organisation made the building consent application or was added as a collaborator to the building consent, you can view the documents already submitted by:

- Opening the building consent
- Open the documents tab
