Building work

The following building work is authorised by this building consent:
Install new solar hot water system: Intended Use: Housing - detached

This building consent is issued under section 51 of the Building Act 2004. This building consent does not relieve the owner of the building (or proposed building) of any duty or responsibility under any other Act relating to or affecting the building (or proposed building).

This building consent also does not permit the construction, alteration, demolition, or removal of the building (or proposed building) if that construction, alteration, demolition, or removal would be in breach of any other Act.

Building Consent Conditions

The building inspector is to be notified at least one working day prior to the following inspections:

This building consent is issued subject to the following conditions:

The owner or person undertaking the building work shall advise of completion of work by returning the Application for Code Compliance Certificate form which accompanied the consent.

A copy of this consent is to remain on site at all times and you should ensure that a copy is given to any tradesmen e.g. your builder, plumber and drainlayer.

A building consent lapses and is of no effect if the building work to which it relates does not commence within 12 months after the date of issue of the building consent or any further period that the building consent authority may allow.

Compliance schedule

A compliance schedule is not required for the building.
