10 INSURANCE EXCESS

11 COMMON MAINTENANCE MATTERS

To consider resolving: That the Body Corporate's Chairperson/Committee is to agree, approve and arrange the maintenance required over the forthcoming year.

12 LONG TERM MAINTENANCE PLAN (LTMP)

To discuss the Body Corporate's obligation to have a LTMP and review it at least every three years.

The Body Corporate has a LTMP drafted by Solutions in Engineering which is reviewed by the Committee each year to plan annual maintenance and set the proposed contingency fund budget (see budget and levy item of the agenda) to fund the LTMP.

To consider resolving:

(i) That the Committee is to continue to review the Body Corporate's LTMP drafted by Solutions in Engineering on an annual basis and arrange for any changes arising as a result of the review process to be incorporated into the LTMP.

(ii) That the Body Corporate's Committee is to continue to arrange the required maintenance set out in the plan as and when required.

In addition to the above LTMP arrangements, the Unit Titles (Strengthening Body Corporate Governance and Other Matters) Amendment Act 2022 ("Amendment Act") is creating a new requirement on large bodies corporate (10 units or more) to have a LTMP which will *"provide a high-level indication of the expected cost of maintenance and replacement of the items covered by the plan in respect of years 11 to 30"*.

13 LONG TERM MAINTENANCE FUND (LTMF)

Explanation of Section 117 of the Act pertaining to a LTMF.

To consider resolving by special resolution: That the Body Corporate does not maintain a LTMF but utilises a Contingency Fund to finance its LTMP.

14 HEALTH & SAFETY AT WORK ACT 2015

The Health & Safety at Work Act 2015 (HSWA) came in to force in April 2016. The HSWA introduces the concept of a Person Conducting a Business or Undertaking (PCBU) as the principal duty holder. A legal opinion from Price Baker Berridge is that as the Body Corporate will carry out work from time to time which work is considered to be an "undertaking" it is therefore a PCBU.

The Body Corporate has a health & safety report and hazard register for the complex which the Committee review and update to ensure any hazards noted are removed, minimised or highlighted and any new hazards are noted. Owners are encouraged to ensure they have reviewed the Hazard Register and advise any other relevant parties, including tenants of these hazards where necessary.

The Body Corporate also resolved procedures in relation to the induction of contractors to site and asbestos at its 2020 AGM.

To consider resolving: That the Body Corporate instructs the Committee to continue to update the hazard register for the complex and to attend to any hazards as may be required to either remove, minimise or highlight them to ensure a safe environment for all residents, owners and visitors.

15 BUDGET AND LEVIES

To review the proposed budget (*attached*) for the Body Corporate for the forthcoming financial year.

To consider resolving:

(i) That the Body Corporate adopts a **working account budget** of **\$16,871.98** and a **contingency fund budget** of **\$29,100.00** for the period 1 February 2024 to 31 January 2025 and sets the levy due date as **15 April 2024**.

(ii) That Strata is authorised to pay standard/regular accounts on behalf of the Body Corporate as they fall due, which accounts relate to the day to day operation of the Body Corporate in accordance with the approved budget, but that any non-standard accounts are to be approved by the Chairperson/Committee.

16 DEBT RECOVERY REGIME

To consider resolving: That if a duly authorised levy or any sum payable by an owner to the Body Corporate is not paid by due date that the owner is liable to the Body Corporate for interest on the outstanding balance at 10% per annum; all debt collecting costs; including Tenancy Tribunal/court costs incurred by the Body Corporate in accordance with the following procedure:

- If payment of the levy notice is not made by the due date a reminder letter is sent to the defaulting owner requesting payment of the levy and stating that if the levy is not paid within seven (7) days a Late Payment Charge of \$126.50 including GST (if any) will be incurred; [letter #1]
- If payment of the levy notice is not received within seven (7) calendar days of the due date, a letter is sent to the defaulting owner requesting payment of the levy and the \$126.50 including GST (if any) Late Payment Charge, and advising that if these amounts are not paid within seven (7) calendar days an additional Late Payment Charge of \$253.00 including GST (if any) will be incurred; [letter #2]
- If payment of the levy notice and Late Payment Charges are not received within seven (7) calendar days of Letter #2 being sent, a third letter is sent to the defaulting owner requesting payment of the levy plus all accumulated Late Payment Charges and advising that if these amounts are not paid within seven (7) calendar days an additional Late Payment Charge of \$253.00 including GST (if any) will be applied; [letter #3]
- If payment of the levy notice and accumulated Late Payment Charges are not received within seven (7) calendar days of Letter #3 being sent, a "Notice of Impending Legal Action" letter is sent to the defaulting owner requesting payment of the levy plus all accumulated Late Payment Charges and advising that the debt will be turned over to a solicitor if the total outstanding amount is not paid within seven (7) calendar days; [letter #4] and
- Pursuant to Section 171(3) of the 2010 Act, the Body Corporate hereby appoints Price Baker Berridge (PBB) to act as its agent on its behalf in relation to any dispute.

17 TAX AGENT

To consider resolving: That the Body Corporate authorises Strata to appoint a tax agent on their behalf which shall have access to the Body Corporate's tax types and be able to liaise with the Inland Revenue Department and obtain information from the Inland Revenue Department on the Body Corporate's behalf.

18 AUDIT OF THE BODY CORPORATE'S FINANCIAL STATEMENTS

Explanation of section 132(8) of the Act.

To consider resolving by special resolution: That all transactions of the Body Corporate are to be made through the Strata Trust Account, which is subject to a two monthly transactional audit by Forbes, Chartered Accountants, and that any interest earned on Body Corporate funds be retained by Strata to offset the Trust Account operating and audit costs, and that in terms of Section 132(8) of the Unit Titles Act 2010, the Body Corporate does not appoint an auditor for the financial statements for the most recently completed financial year.

19 COMMUNICATION

To consider resolving: That if Strata has an email address on file for an owner, all correspondence will be sent by email only and not by post, notwithstanding that if Strata is notified in writing by an owner that correspondence is to be sent to them by post that this request will be actioned and no information will be sent to that owner by email.

20 MINUTES TO BE A RECORD OF THE BUSINESS OF THE ANNUAL GENERAL MEETING

To consider resolving: That if within thirty days of distribution of the minutes Strata does not receive any written request from a person who attended the meeting to amend any part of the minutes, that the minutes are adopted as a true and accurate record of the Annual General Meeting.

INDEPENDENT ASSURANCE REPORT

To the Directors of Strata Title Administration Limited

We have undertaken a limited assurance engagement on the compliance of Strata Title Administration Limited's operation of the Trust Account for the two months ended 31 January 2024.

Conclusion

Based on the procedures performed and evidence obtained from the procedures we have performed, nothing has come to our attention that causes us to believe that Strata Title Administration Limited does not comply, in all material respects, with the following criteria for two months ended 30 Nov 2023

- The funds held for each of the entities under Strata Title Administration Limited umbrella can be identified within the Trust account;
- Receipts and payments are correctly accounted for;
- Appropriation of the funds is properly authorised.

Basis for Conclusion

We conducted our limited assurance engagement in accordance with Standard on Assurance Engagements (SAE) 3100 (Revised) Compliance Engagements issued by the New Zealand Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Strata Title Administration Limited's Responsibilities

The Directors are responsible for compliance of Strata Title Administration Limited with the applicable criteria stated above namely transactions correctly accounted for and charged to the correct entities within the Trust Account.

Our Independence and Quality Control

We have complied with the relevant ethical requirements of Professional and Ethical Standard 1 (Revised) relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality, and professional behaviour.

In accordance with the Professional and Ethical Standard 3 (Amended) Forbes Audit and Accounting Limited maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our review has been conducted in accordance with SAE 3100 (Revised) to provide limited assurance that Strata Title Administration Limited has complied with the correct accounting for transactions to various entities managed within their Trust Account. Our procedures included:

- An assessment of the Reporting Criteria, policies, and principles, with respect to their relevance, completeness, neutrality, and reliability;
- Assess to MRI software, which provides us with access trust account ledger of each of entities and access to archived invoices;
- An assessment of Strata Title's internal system to ensure the controls are adequate to size, business and criteria named above;
- At the corporate level, we have conducted interviews with responsible staff to assess the system of internal controls;
- At the corporate level, we have collected and reviewed supporting documents for the transactions sampled for testing;

Given the circumstances of the engagement, in performing the procedures listed above we: Through discussion, enquiries, and observation, obtained an understanding of Strata Title Administration Limited's compliance framework and internal control environment to meet the applicable criteria stated above namely transactions correctly accounted for and charged to the correct entities within the Trust Account.

Through discussion, enquiries, observation and walk throughs, obtained an understanding of relevant compliance activities that are undertaken to meet the compliance requirements, as required for the operation of the Trust Account.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, we do not express a reasonable assurance opinion on compliance with the compliance requirements.

Other than in our capacity as the independent assurance practitioners, we have no relationship with, or interests in, Strata Title Administration Limited.

AIG Insurance New Zealand 	Declined to Quote	
---	-------------------	--

Coming off the Auckland Floods and Cyclone Gabrielle, all insurers across all risks are increasing premiums/rates regardless of whether the clients have claimed or not.

Standard increases are starting at 20% through to 40% for those that have had claims costs in the last 12 months.

In addition to increases, all insurers are taking a much more conservative approach to underwriting risks and we are seeing over and over again them declining more risks and being way more cautious in their approach.

Please also note the replacement value increase as noted on the front page above as this impacts the premium increase as well.

Recommendation

Utilising this 'balanced scorecard' approach for a review of the Insurer quotations, provides a weighted assessment of all the relevant factors for each Insurer that has quoted. Our recommendation is **Vero** for the next insurance year.

BODIES CORPORATE - CLAIM PROCEDURES

Please complete the claim form and return (see contact details below) along with any supporting documentation including photos and quotes to repair/replace, plus any other reports where applicable.

It is in your best interests to return the completed claim form as soon as possible so the claim can be lodged and claim number allocated and then the other documentation can follow if required.

Once received we will forward to the Insurer for their consideration and let you know if an Assessor is required. An Assessor is appointed based on the type and extent of damage and depends on what the excess level will be for the type of claim being lodged.

Please note:

- For us to provide a claim number, we require the fully completed claim form to be returned so we can lodge with your Insurer who will issue the claim number, and
- Your excess applies to every claim and if recovery is an option, it will only be reimbursed after recovery is successful.

Water Leaks

If your claim involves leaking plumbing/roof, you need to arrange for a Plumber/Builder straight away to locate and fix the leak to stop additional damage from occurring. Knowing the cause of the leak is essential for the Insurer's to determine if the resultant damages are covered or not.

Please provide the Plumbers invoice so the cause can be confirmed.

If you have wet carpet, ceilings/gib board etc, in the first instance please arrange for someone to come and remove the water and start the drying process. The likes of Chem-Dry or Jaes are recommended. Until the drying process is complete, the full extent of the damages will not be known.

Glass Breakages

If your claim involves glass breakage and it causes a security issue, please ensure photos are taken to support your claim and arrange for replacement as soon as possible.

Please return the claim form, along with photos and invoice.

Malicious Damage, Break Ins/Burglary & Theft

Please ensure these situations are reported to the Police as soon as possible and that the Police File Number or Acknowledgement Slip is included when the claim form and other supporting documentation is returned.
