Data End (do not delete)

You recently applied for a building consent, which has now been Recommended to Grant. An invoice for the balance of fees outstanding is enclosed. Once payment is received and cleared, your building consent documentation can be generated. Please note that building fees are due the 20th of the month following the invoice date. Council is not required to grant a building consent until it receives any fees and charges fixed by it in relation to the consent (Section 49.2(a) New Zealand Building Act 2004).

Your Building Consent fee has been time tracked at \$164.00 per hour and is based on:

0.85 hours building support time

21.13 hours processing time

9.00 inspections

30.98 **Total building consent hours**

Further costs may be incurred or a credit may be owing and a final invoice/credit may be sent to you once your application for Code Compliance Certificate is accepted.

If you have any further queries regarding this matter, please contact your local Council Service Centre, or call the number below and ask to speak to the Duty Building Support Officer.
