Dear Sir/Madam

Thank you for applying for a building consent with the Western Bay of Plenty District Council. The consent has now been issued.

The Inspector will work with you to achieve full compliance with the NZ Building Code. To help us help you please call for all of the inspections shown on the attached sheet.

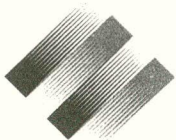

All inspections made will be charged for and is important that the work is ready when the Inspector calls. Extra inspections to check on items that did not meet the code requirements will incur extra costs. The Inspector will not accept anything that he cannot see and this makes it important that work isn't closed in before it is inspected.

For your information your building consent number is **55034**. Please quote this number when booking inspections

Your Inspector will be **NEAL LINDSAY** and you can contact him on (07) 571-8008.

Yours faithfully

Graham Roberts
