SECTION B—LOCATION

- Provide a site plan/location plan clearly showing the proposed location of connection to the public line.
- Provide measurement on the plan indicating how far you want the connection placed from the L/H or R/H boundary of the property.
- **Applications will not be accepted without a site plan and measurement.** If a site plan is not available, an aerial print can be requested from the Council's Customer Services team. Provide measurements on the aerial print as above.

- ☐ Form completed and signed
- ☐ Site plan attached

Application will **not** be processed until all requested information and a signature is provided.
