About Me

My name is Jaggy Bhupal, and I look forward to be a part of your real estate journey. I know what it takes to secure your own residential property. As an immigrant to New Zealand from India in 2008, it's perhaps my greatest personal achievement to have bought my first property by 2013. Among other factors, it took hard work, persistence, and not least of all a good deal of trust and faith in a genuine real estate professional.

Once you appoint me to act on your behalf, we'll sit down to further discuss some specifics of the marketing and sales plan.

I consider myself an active listener and with a history in sales and service roles within real estate, banking and telecommunications, I have key skills and experience that are necessary to succeed in real estate.

It's gratifying to be given the chance to act on your behalf – it's important to me to assist people in achieving their goals, and I value your business.

Great photos are important when selling your home so we offer them for free within our marketing package.

We have a team of in-house photographers & nationwide contractors allowing us to make sure that all photos are of a high standard no matter where you are in NZ.

We also provide a reference floor plan so your potential buyers get a clearer understanding of the homes layout.

- ✓ Reference floor plan

*Drone will be used whenever possible on all listings. However in rare instances airport/hospital flight paths could restrict us from flying at that location.

Your listing

Our internal teams will prepare your listing media, floor plan, documentation, signboard and copywriters will write up your property's ad description.

All of the content will then be collated by our system and managed by your salesperson to ensure your property will be ready to go live swiftly.

You can monitor all this progress via your seller's dashboard.
