Dear Hoaani & Paige

NOTICE OF INSPECTION OF SWIMMING POOL AT 37 SYMOND STREET

Under the changes made to the Building Act in January of 2017, Councils are required to inspect the fencing of all swimming pools in its district on a 3-yearly cycle. As there is a swimming pool recorded for this property the Council would like to arrange a convenient time in order for this inspection to be carried out. A proposed time for this visit is:

Date: 10th June 2021
Time: 10.30-11.30am

It would be appreciated if you could arrange for someone to be present, although if you prefer you can give permission for the Council inspector to undertake the inspection in your absence. If this option is more suitable please advise Jessica Scholte at the Council offices on (07) 3060 500 or email poolcompliance@whakatane.govt.nz. If this date and time is not convenient however, please make contact as above to arrange an alternative time.

If the swimming pool has been removed, please sign and return the enclosed declaration form. If the pool has been removed and the form not completed and returned, a pool inspection will be required to confirm.

Refer to the following link for more information. <https://www.building.govt.nz/building-code-compliance/f-safety-of-users/pool-safety/>

The inspection will incur a cost of \$75 for the inspector's time and administration charges. FYI the inspection checklist to be used for the inspection is attached.

Thank you for your assistance.

Yours faithfully

Geoff Winship
