It is recommended that you also consider, or obtain professional advice on, the planning provisions of the Whakatāne District Plan as it affects this property. A copy of the Whakatāne District Plan is available for viewing on the Council's website www.whakatane.govt.nz or at all public libraries and Council offices in the District.

Future development of the property, including subdivision, may require the payment of a monetary contribution for additional demands that may be placed on community infrastructure by the use or development of the land. Monetary contributions may be payable for roads, water, stormwater and wastewater services. If you are anticipating further development of the land, you are advised to read the Development Contributions Policy in the Long-term Plan 2018-2028.

Aerial photographs attached as part of this LIM should not be relied upon when determining the property boundaries. A surveyor should be engaged should the users of this LIM wish to determine the boundaries of this property.

17 DISCLAIMER

This Land Information Memorandum has been prepared for the purposes of Section 44A of the Local Government Official Information and Meetings Act 1987 and contains all the information known to the Whakatāne District Council relevant to the land described. It is based on a search of Council records only, and there may be other information relating to the land which is not known by Council. The Council has not undertaken any inspection of the land or any buildings on it for the purpose of preparing the Land Information Memorandum. Accordingly, the Council is unable to verify that the consents held in our file match the buildings on the property. You are advised to peruse our file. The LIM Co-ordinator will hold the file for five working days. Please contact to arrange a suitable time to view the file (Telephone 07 3060500). **The applicant is solely responsible for ensuring that the land is suitable for a particular purpose.**

The information available to Council is undergoing a digitisation process. Quality assurance is still being undertaken. We recommend that you contact the Council if there are any concerns.

ANNEXURE SCHEDULE 1

Rights and Powers:

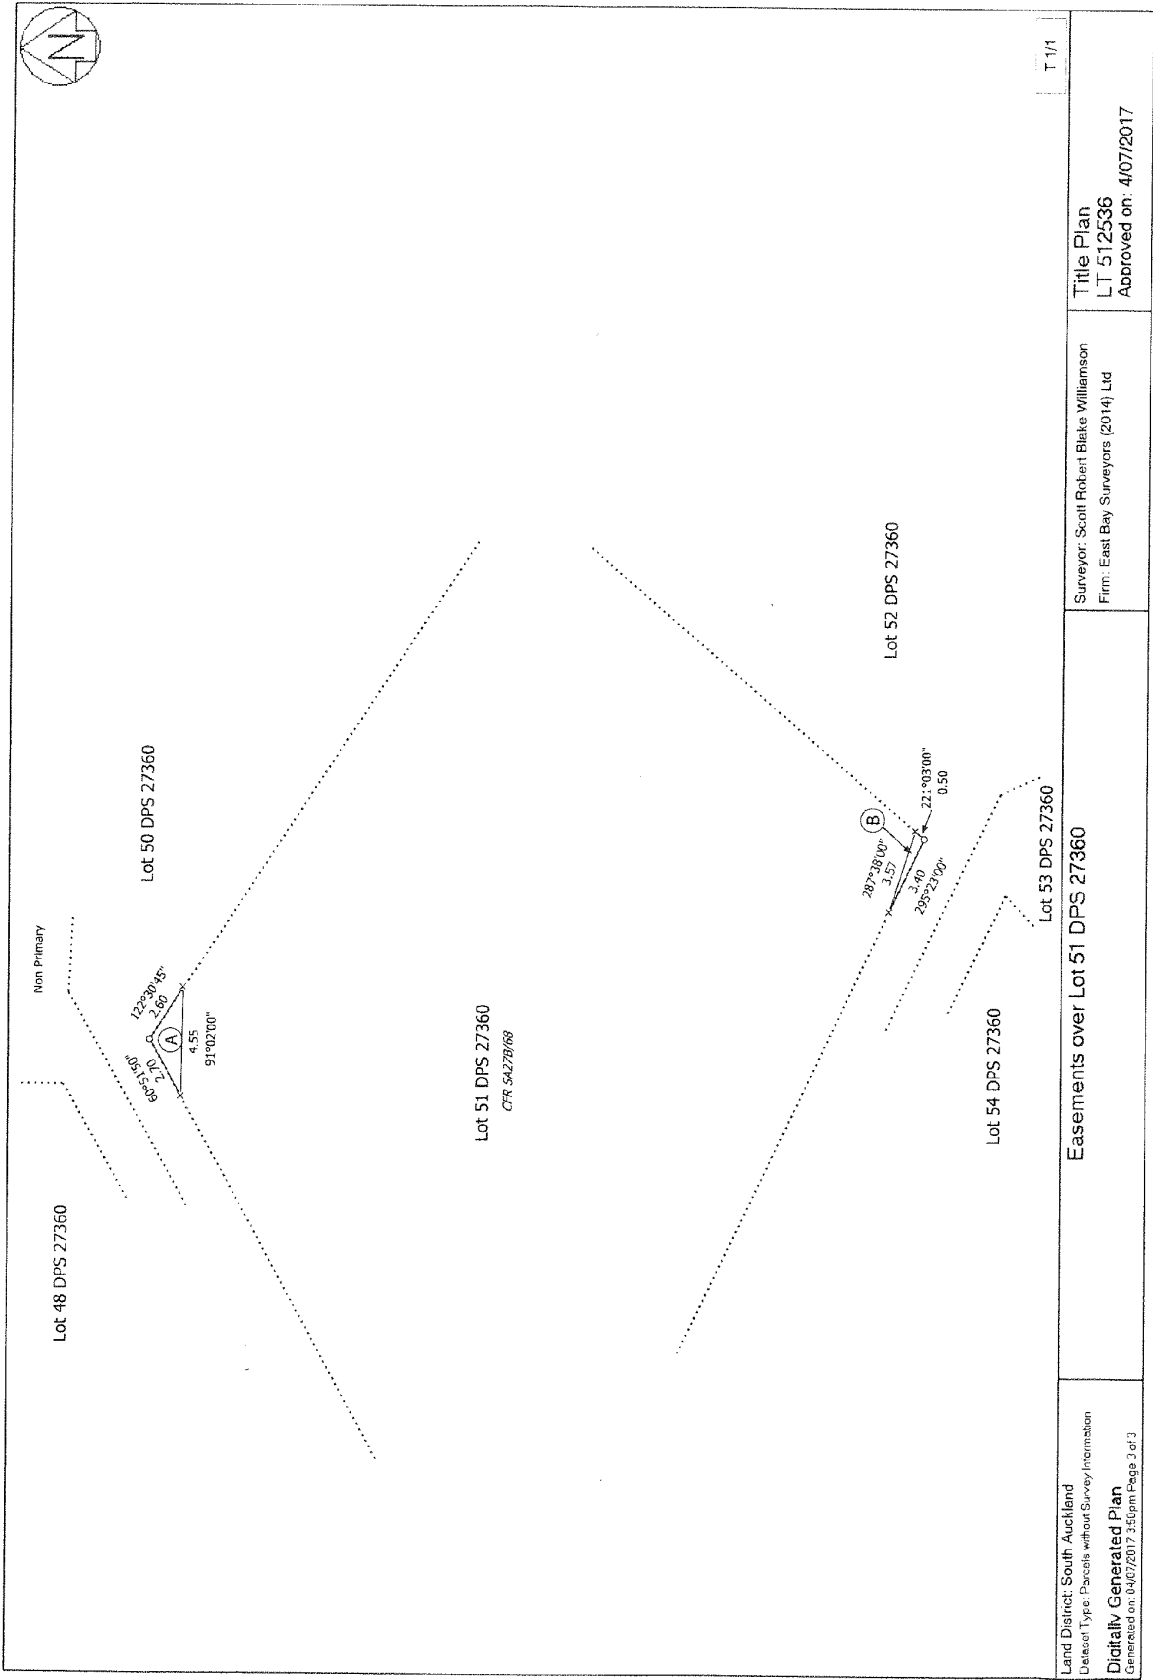

1. The rights and powers set out in the Forth Schedule to the Land Transfer Regulations 2002 are herein implied except as they are added to or substituted hereto.
2. Where there is a conflict between the provision of the Fourth Schedule to the Land Transfer Regulations 2002 and the modifications in this Easement Instrument the modifications shall prevail.
3. No power is implied in respect of any easement for the Grantor to determine the easement for breach of any provision of this instrument (whether expressed or implied) or for any other cause, it being the intention of the parties that each easement shall subsist for all time unless it is surrendered.

The Maintenance provisions in the Forth Schedule of the Land Transfer Regulations 2002 are modified as follows:

1. The word "equally" in clause 11(2) of the Forth Schedule of the Land Transfer Regulations 2002 shall be read as "for a reasonable contribution in proportion to their use".
2. Any maintenance, repair or replacement of the easement facilities on the servient or dominant land over the stipulated course that is necessary because of any act or omission by the Grantor must be carried out promptly by the Grantor and at the sole costs of the Grantor. Where the act or omission is the partial cause of the maintenance, repair or replacement, the costs payable by the Grantor responsible must be in proportion to the amount attributable to that act or omission (with the balance payable in accordance with clause 11 of the Fourth Schedule to the Land Transfer Regulations 2002).
3. Any maintenance, repair or replacement of the easement facilities on the servient or dominant land over the stipulated course that is necessary because of any act or omission by the Grantee must be carried out promptly by the Grantee and at the sole cost of the Grantee. Where the act or omission is the partial cause of the maintenance, repair or replacement, the costs payable by the Grantee responsible must be in proportion to the amount attributable to that act or omission (with the balance payable in accordance with clause 11 of the Fourth Schedule to the Land Transfer Regulations 2002).

If this annexure schedule is used as an expansion of an instrument, all signing parties and either their witnesses or solicitors must sign or initial in this box.
