OFFICE COPY

Dear Sir

Re : 25 STARK STREET WANGANUI

It has been noted recently that at the above property to which our records show you as the owner, the following situation exists:

- 1) THE CARPORT ROOF PITCH HAS BEEN ALTERED AND THE BACK AND SIDE OF THE CARPORT HAS BEEN ENCLOSED.
- 2) STORMWATER FROM THE CARPORT ROOF IS DISCHARGING INTO THE NEIGHBOURS PROPERTY.

You have done this work otherwise than in accordance with a current Building Consent in that building work was started without first obtaining a Building Consent (Section 32 NZ Building Act 1991).

You are required to respond to the above comments within 10 working days of the above date.

You are further advised that this contravention may result in a prosecution being laid in the District Court. The maximum fine is \$100,000.

Yours faithfully

GRAHAM WAIT - Building Control Officer
