VEHICLE CROSSING INSPECTIONS

- I will notify the Council two working days prior to excavation to confirm location and make arrangements for consequent inspections. Please note a fee of $80.00 will apply for any failed inspections. To book a Vehicle Crossing Inspection phone 0800 965 468.

DECLARATION

- I will construct a vehicle crossing (entranceway) that complies with any Resource Consent and meets Council specifications from the formed roadway to my property. Between the initial construction and final surfacing of the vehicle crossing, the crossing will be kept in good condition to allow for the safe passage of pedestrians
- I note that stamped concrete, coloured concrete, cobbles and non standard paving blocks are NOT permitted
- I understand that all costs are the responsibility of the property owner and that a vehicle crossing that does not meet Council specifications will be upgraded at the property owner's cost
- I understand that I will be responsible for the costs associated with any repair work required as a result of settlement or poor workmanship during a 12-month period of maintenance.

INFORMATION

(a) Your permit is valid for 12 months with your vehicle entrance to be completed within that period.
(b) It is the property owner's responsibility to arrange and pay for the construction of a vehicle entrance.
(c) A vehicle entrance constructed without Council inspections will be deemed as an illegal entrance.
(d) A vehicle entrance must be formed to top-course stage prior to the commencement of any building work.
(e) You or your Contractor will need to fill in a Temporary Traffic Management Plan at least 2 working days before construction, you cannot work on the road or footpath until it has been approved. (If there is a need for public notification eg road closure, then additional notice is required).

A Vehicle Crossing Information Pack is available from Waimakariri District Council Service Centres and website:
http://www.waimakariri.govt.nz/services/roads-and-transport/driveways-and-vehicle-crossings
It contains specifications and additional information as well as plans for typical urban and rural vehicle crossings.
