Local authorities use information contained in the district valuation roll to set rates. This notice details information on your property that is contained in the district valuation roll of Timaru District Council. The Rating Valuations Act 1998 obliges councils to maintain the valuation rolls but allows them to choose their valuation service provider.

The Valuer-General regulates the maintenance of district valuation rolls to ensure that they meet the minimum standards set out in the Rating Valuations Act 1998, the Rating Valuations Regulations 1998, and the Rating Valuations Rules.

An owner or ratepayer (if different) may object to any information contained in a notice of valuation within the time and in the manner specified in regulations made under the Rating Valuations Act 1998. If you object to a value that is a component of your valuation, the Timaru District Council will review that value, and may also review any other value components of the rating unit, i.e. land value, value of improvements, capital value, or annual value.

This notice has been issued as a result of a **Change to Improvements**. Timaru District Council has contracted Quotable Value Limited to carry out this work. If you wish to discuss this rating valuation call toll free on 0800 787 284 or write to QV, Private Bag 39818, Wellington Mail Centre, Lower Hutt 5045 or fax (04) 576 4486.
